Health Care
Center for Medico-Social Unit is on the ground floor of Sosyal-Kültürel Merkez building on main campus. In the unit, basic health services are provided for students. It also provides first aid services for all students at Kilis 7 Aralık University. Serious issues are directed to Kilis Hospital close to the campus.

Disability Support Unit
This unit at the campus supports handicapped students to minimize challenges encountered during their education, their campus life, and improve the environment around them. The lifts, ramps, toilets, sidewalks, and road at the campus were improved for disabled students. The book reading system for visually impaired students is available at main library. The ring service is available for students physically disabled.

Library
The main library includes reading rooms and Internet access center equipped with scanners, copy-machines, and printers. The library offers:
- 40,000 books in Open Shelf System and various periodicals
- Database subscriptions for research
- Book reading system for visually impaired people
- YORDAM Automation System for resource scan and access
- KITS: Interlibrary book loan system
- Lounge with daily newspapers
- University Library opening hours: 8:00 am to 20:00 pm.

Accommodation
A 100-student dormitory for international students is available in Karatas campus. Application form can be accessed at http://erasmus.kilis.edu.tr/sayfa/4402/incoming-students/accommodation

Please note that due to the large number of applications, your preferred place/room of living cannot be guaranteed. There are also private student dorms around the campus that provide affordable accommodation to students.

Social Facilities
- Basketball Courts
- Tennis Court
- Football Fields
- Outdoor Sports Park
- Fitness Saloon
- Conference Halls
- Cinema Hall
- Theatre Hall
- Ebru (Turkish Water Painting) Art Room
- Exhibition Hall
- Semi-Olympic Swimming Pool
- Indoor Sports Facility
- Music Room
- Kilis House

Food & Drinks
Student Dining Hall: There is an on-campus dining hall with a capacity of 1000 students at the university. Lunch and dinner, also including traditional Turkish food, are served.

Kilis House Social Facility: Breakfast and lunch are served in a renovated authentic Kilis House.

Cafeterias: Student cafeterias serve hot and cold drinks. They also offer various food options in every faculty.

Library
The main library includes reading rooms and Internet access center equipped with scanners, copy-machines, and printers. The library offers:
- 40,000 books in Open Shelf System and various periodicals
- Database subscriptions for research
- Book reading system for visually impaired people
- YORDAM Automation System for resource scan and access
- KITS: Interlibrary book loan system

KILIS 7 ARALIK UNIVERSITY  From Frontier City, to Bright Future

WHY KILIS?
Kilis is located on the Southeastern border of Turkey and ideal for university students due to its low-cost living conditions. Because Kilis is a “college” town, you will feel at home and establish friendships that never end. You will also experience the hospitality of Turkish culture and be able to taste the delicious food of Southern cuisine.

WHY KILIS 7 ARALIK UNIVERSITY?
Kilis 7 Aralik University was founded as a public university in 2007. As a young and dynamic institution, Kilis 7 Aralik University serves more than 8000 undergraduate and graduate students from all around the world in six faculties, two vocational schools, and three institutes with 250 teaching and academic staff.

Kilis 7 Aralik University has been holding the Erasmus University Charter since 2009. The University provides a high level of support to incoming ERASMUS+ students as for all students registered at Kilis 7 Aralik University. This means that orientation programs are provided by both International Relations Office and individual departments. The incoming students have access to personal tutors and have the same teaching contract as their peers. The University recognizes the special needs of disabled students and they can access to all facilities at the campus.

At Kilis 7 Aralik University, we believe that knowledge, innovation, creativity, and transferable skills are necessary factors for employment and our objective is to equip students with these qualifications and we are committed to providing you with a high quality and internationally focused education in Kilis, where the diversity of people and culture is the central. As a border city, Kilis is located in a position that opens the doors of multicultural atmosphere of Southern Anatolia and Middle East.

With its highly qualified and internationally recognized faculty, you will have an education that expands your visions for life and career. Because Kilis 7 Aralik University participates at Bologna process, you will get a diploma and diploma supplement (DS) that are valid throughout the world.

At Kilis 7 Aralik University:
- We teach at the European level
- We promote mobility

We open the doors to international career opportunities
- We support modernity
- We support diversity and culture

We support without barriers
- We support innovation
- We support academic freedom and intellectual growth
